

Presentation Notes

All items were sourced from Amazon with the exception of the second ammo box which is from Harbor Freight (Tactical Ammo/Utility Box or 64113)

Search Descriptions in Amazon are:

MTM AC 11 Ammo Can

Anderson Powerpole Panel Mount

USB Panel Mount

Cigarette Lighter Panel Mount

Voltmeter Panel Mount

Rocker Switch Panel Mount

NOTE: These search terms will help to get to the items and you will have to scroll through and select the ones you like

For the complete battery box on Amazon search for POWO Carlife Battery Box

For Lithium Ion Battery and Lithium ion Battery Charger search for those items

A note about the complete battery box. In a review I watched on YouTube a comment was made that the wiring is only 16 gauge so you should consider replacing it 12 gauge wire.

Please keep in mind these are only suggestions. How **YOU** choose to configure your box is up to **YOU!**
