

GVARC Meeting Notes 3-10-21

President:

- Dues: So far, 46 have not yet paid 2021 dues. John will be sending personal email reminders right away.
- COVID shot discussion. Vaccine is becoming much more readily available in Pima County.
- Road Cleanup: March 20th meeting at 8 a.m. at Taco Bell on Duvall Mine Rd. If you wish to sign up, call Sharon, KF7YJW at 425-876-0051, or on GVARC website.
- Picnic: March 20th 10:30 to 1 p.m. Anamax Ramada 4. BYOB and food. See President John's email with COVID protocol details and other important info.
- We have joined ARCA: Arizona Radio Club Association.

Vice President:

- Working on remote station control of club radios. Currently working on the internet connection.
- Also working on club's antenna at SAV. May need more folks to help with the replacement effort.
- Winlink gateway is coming (see tonight's presentation).
- DMR net: Next one is March 22nd. Last one had 8 participants – most participation to date. Let Rick or Tom know if you need help.
- Tech Net: Next one is 3/15 at 7 p.m. on club repeater.

Treasurer Report:

- Total in accounts: \$9683.57
- Total in club radio account: \$1069
- Total in repeater account: \$2104

AA7RP: Ron gave update on status of new equipment for digital repeater effort. Lost in USPS right now; hope to have it soon.

K3BAT and Secretary: No reports.

Past President: Corporate tax filings and AZ corporate filings are now current for 2021.

Webmaster (Jon): 419 website hits in the last month.

- How to find treasurer's address on the website: look in the application form.

Ed Toal: Report on the RFI Mitigation group effort: 3 volunteers in committee so far, and if you wish to be on his email group to get updates, please email him. Also, see website for more info.

Program: Rick Rogers and Mike Bass talking about Winlink capabilities. See website for info covered.
